

# Face coverings required.

## Please keep 6 ft apart.

Non-medical masks, bandanas, scarves,  
and cloth can be used.

Effective June 24th, per Governor Kate Brown's executive order, **face coverings are required for indoor public spaces in Multnomah county.**

Everyone entering Pets on Broadway must wear a mask, face shield, or face covering that covers your nose and mouth **for the entirety of their shopping trip**. Children under 12 years of age are not required to wear one.

**If you cannot or will not wear a mask you have two options:**

- **Curbside order:** we can take your order at the door, process payment, and bring your products out.
- **Online order:** you can shop online at [PetsOnBroadway.com](https://PetsOnBroadway.com) and have your order delivered to your house.

*Thank you for helping keep everyone safe!*

**We are committed to protecting the health and safety of our team members and our customers.**

We are also committed to following the Governor's order as we and all other businesses are required to do. We have alternative options for shopping available to you: online ordering and curbside pickup. If you cannot or will not wear a mask we invite you to use one of these other options. Everything remains the same except for the location at which you receive your items.
